Partial Revocation of Cease Trade Order

On October 29, 2020, the Company obtained an order from the British Columbia Securities Commission (“**BCSC**”), the Company’s principal securities regulator in Canada, which partially revoked the cease trade order issued on June 19, 2020 (“**CTO**”) to, amongst other things, permit the Company to enter into the 2020 November Deferral Agreement and to convene the Meeting in order to obtain shareholder approval of the 2020 November Deferral Agreement as required under applicable TSX rules.

Board Review and Approval

The 2020 November Deferral Agreement and the transactions contemplated thereunder were reviewed and approved by the disinterested members of the Board, as well as the Company’s independent directors. After considering, among other things, the terms of the Deferral and the 2020 November Deferral Agreement, the Company’s financial position and the possible funding alternatives reasonably available to the Company, the Board is of the view that: (i) the Deferral is offered on reasonable commercial terms not less advantageous to the Company than if the Company obtained similar financing from a person dealing at arm’s length with the Company; (ii) the terms of the Deferral are reasonable in the circumstances of the Company; (iii) the Deferral is designed to improve the financial position of the Company; (iv) the Deferral will enhance the Company’s ability to continue as a going concern in the near term and provide the Company with financial flexibility to consider and explore different measures to secure additional capital or to pursue a strategic debt restructuring or refinancing plan with the Major Shareholder; and (v) the best interests of the Company and shareholders will be served by approving the Deferral and the 2020 November Deferral Agreement.

Shareholders’ Approval Pursuant to TSX Requirements

Pursuant to Section 501(c) of the TSX Company Manual, the Company is required to seek approval of the 2020 November Deferral Agreement from shareholders, other than the Interested Shareholders (as defined below) (the “**Disinterested Shareholders**”) because (i) the Major Shareholder is a related party to the Company (as a result of its beneficial ownership of more than 10% of the outstanding

common shares of the Company); and (ii) the aggregate amount of deferral fees payable to the Major Shareholder will be greater than 10% of the market capitalization of the Company.

To the best of the Company's knowledge, approximately 64,766,591 common shares, representing approximately 23.75% of the issued and outstanding common shares of the Company, are beneficially owned by the Major Shareholder and its related parties (collectively, the "**Interested Shareholders**"). Accordingly, the 64,766,591 votes attached to the common shares beneficially owned, or over which control or direction is exercised, by the Interested Shareholders will be excluded from the vote to approve the 2020 November Deferral Agreement at the Meeting.

Full details of the Deferral and the 2020 November Deferral Agreement will be included in the Management Proxy Circular prepared for the Meeting, which will be filed under the Company's profile on SEDAR at www.sedar.com and mailed to shareholders of the Company in accordance with applicable securities laws. The Company will make a further announcement to shareholders with respect to the date, time and venue of the Meeting as soon as it is fixed by the Board.

The Board, acting in good faith, including all of the independent members of the Board, acting in good faith, have determined that the Company is in serious financial difficulty, that the Deferral is designed to improve the Company's financial position and that the terms of the Deferral are reasonable in the Company's circumstances. As such, the Company is relying on the exemption from the formal valuation requirements of MI 61-101 based on the financial hardship exemption set forth in Section 5.5(1)(g) of MI 61-101.

To the knowledge of the Company or any director or senior officer of the Company, after reasonable inquiry, no "prior valuations" (as defined in MI 61-101) in respect of the Company that relate or are relevant to the Deferral or the 2020 November Deferral Agreement have been prepared within 24 months preceding the date hereof.
